# CS313E Survey 1 (Due Wednesday, 02 Sep 2020, 11:59 PM on Canvas)

Here is the class website:

https://www.cs.utexas.edu/users/mitra/csFall2020/cs313/cs313.html

Read the syllabus and the schedule.

Obtain an account on ZyBooks. There are two reading assignments starting the second week of class.

This is a time intensive course. You will have
- Quizzes every day on Canvas
- You will have two programming assignments per week due on Mondays and Fridays
- There will be reading assignments on ZyBooks
- There will be three programming tests on HackerRank on Friday evenings

I want to emphasize the time commitment as we go forward. Please the fill the following information. Save your file as either CS313E_Survey_1.docx or CS313E_Survey_1.pdf and upload it to Canvas under CS313E_Survey_1.
